

## *Invitation...*

Department of Biotechnology, DCR University of Sc. & Tech., Murthal & MEDIMAA Conferences welcome you to attend **Global Congress on Biotechnology, Nanotechnology, Energy & Environment** to be held during **April 25-26, 2018 at DCR University of Sc. & Tech., Murthal, Sonapat, Haryana, India** with the theme "Present Status and Future Aspects of Research in Biotechnology, Nanotechnology, Energy & Environment".

This international conference from April 25-26, 2018 would be a vibrant platform for established subject experts, budding scientists, research scholars and industry people for presenting their findings in the form of Invited Talks, Oral & Poster presentations. This will not only provide a unique opportunity for the participants for discussion and sharing of their experimental results and prospects amongst them but would also give an impetus to the possibilities of working out various future collaborative match-making.

## *Conference Sessions*

**Plant & Agriculture Biotechnology**

**Animal & Medical Biotechnology**

**Marine Biotechnology**

**Environmental Biotechnology**

**Industrial Biotechnology**

**Food Biotechnology**

**Pharmaceutical Biotechnology**

**Genomics & Proteomics**

**Cell Biology & Immunology**

**Bioinformatics**

**Nano Biotechnology**

**Molecular Nanotechnology**

**Nanomaterial, Ceramics, Alloys**

**Nano Medicine**

**Renewable & Non-renewable Energy**

**Solar, Wind & Thermal Energy**

**Biofuels, Bioenergy**

**Environmental Pollution**

**Environment Protection**

## **Important Dates**

**Abstract Submission Deadline : 18 April, 2018**

**On-spot Registrations : 25 April, 2018**

High quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Biotechnology, Nanotechnology, Energy & Environment are invited for presentations at the conference.
