THEME & OBJECTIVE

The short term course “SAFETY MANAGEMENT IN PROCESS INDUSTRIES” comprises of several methodologies that embraces safety management in process industries. The objectives of the course are to update the knowledge and skills of the process engineers as well as the technical teachers in the current safety issues encountered in process industries.

This course will provide a platform for sharing the knowledge of management system for designing and operating industrial processes that handle large quantities of hazardous and flammable chemicals. It is concerned with process issues such as fires and release of toxic gasses. The driving force for most process safety management is the need to maintain safe operation with a focus on preventing accidents.

This course will be quite beneficial for researchers and professional engineers who are engaged in developing a management system that can prevent and control major mishappenings.

THRUST AREAS (Suggested List):

Topics of interest include, but are not limited to, the following:

- Process Safety Infrastructure
- Operating Procedures
- Fire & Safety Training
- Emergency Planning And Response
- Process Hazard Analysis
- Disaster Management

ORGANIZED BY

DEPARTMENT OF CHEMICAL ENGINEERING

**DEENBANDHU CHHOTU RAM
UNIVERSITY OF SCIENCE & TECHNOLOGY, MURTHAL,
SONEPAT (HARYANA)-131039**

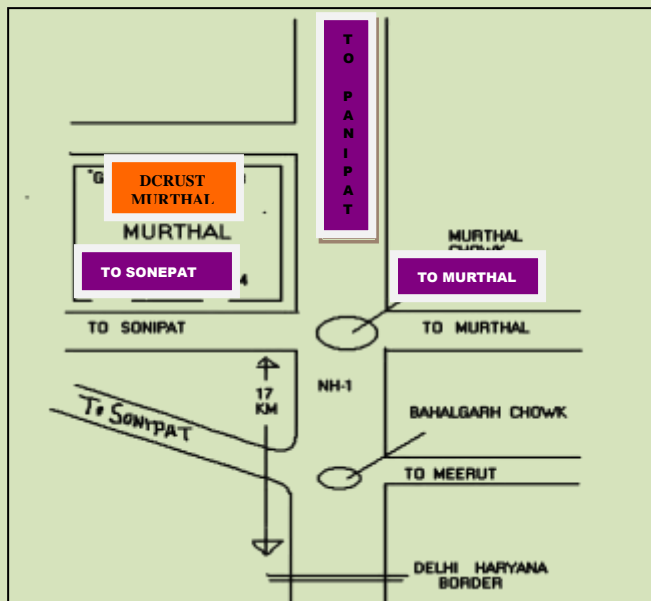

ABOUT THE DEPARTMENT

Department of Chemical Engineering was established in 1991 with a vision to produce world class Chemical Engineers. The Department functions under the Faculty of Non-Conventional Sources of Energy and Environment Science. **Prof. Kiran Nehra** is currently the Chairperson of the Department

IMPORTANT DATES

Receipt of Registration Forms (By Post or E-Mail)	11.02.19
Intimation to Selected Candidates	15.02.19
Confirmation from participants (By Mail)	18.02.19

ROAD MAP

ABOUT THE UNIVERSITY

Deenbandhu Chhotu Ram University of Science and Technology (erstwhile C. R. State College of Engineering) was established through an Act of Haryana State Legislature on 6th November, 2006 to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of Science, Engineering, Technology, Architecture and Management studies. The University is recognized under 12 (B) of the UGC Act, 1956. The University has been accorded 'Affiliating Status' by Act of Haryana State Legislature on 3rd August, 2011. The University provides an outstanding learning environment for multifaceted development of students, thus emerging as a centre of excellence. The University is spread over 273 acres and has a fully residential campus with ample built up space in a contemporary architectural idiom. It has 16 teaching departments under 6 different Faculties. In addition to research facilities leading to enrollment of 181 research scholars, the University is presently running 19 Postgraduate, 9 Undergraduate & 2 integrated programmes on regular basis and 3 Postgraduate and 5 Undergraduate programmes in part-time mode in Engineering, Science, Architecture and Management with an annual intake of about 1750 students. Six Undergraduate programmes are accredited by NBA & others are in process. The University has highly qualified faculty, well equipped library, computer centre with high speed internet facility, faculty rooms, classrooms, & substantial sports facilities, etc. The University is funded under TEQIP of MHRD of Government of India being funded by the World Bank. Various departments have successfully undertaken many UGC/AICTE/DST/DBT sponsored projects. The University is known in the region not only for students with technical, analytical and soft skills but also for its strong placement statistics.

LOCATION

The University is located on the National Highway No.1 (G.T. Road), 50 Kms. from ISBT, New Delhi towards Panipat and about 8 Kms. from Sonapat railway station on Sonapat-Murthal link road. The institute falls within one of the growing commercial & industrial belts of Haryana.

PARTICIPANTS

People from industry, faculty and research scholars of universities, colleges & polytechnics are eligible to participate in this short term course. Estimated strength of participants will be 30.

NOTE:

- No fees will be charged for attending the workshop, however registration is mandatory
- The TA/DA, Boarding and lodging expenses for attending the program will be borne by the candidates sponsoring institute and DCRUST, Murthal will not be liable for the same.
