Technology, Murthal(Sonepat)-131039, Haryana**
(‘A’ Grade NAAC Accredited State Government University)

ABOUT AICTE

In accordance with the provisions of the AICTE Act (1987), for the first five years after its inception in 1988, the Minister for Human Resource Development, the Government of India, was the Chairman of the Council. The first full-time Chairman was appointed on July 2, 1993 and the Council was reconstituted in March 1994 with a term of three years. The Executive Committee was reconstituted on July 7, 1994 and All India Board of Studies and Advisory Boards were constituted in 1994-95. Regional Offices of the Ministry of Human Resource Development, the Government of India, located in Kolkata, Chennai, Kanpur, and Mumbai were transferred to AICTE and the staff working in these offices were also deputed to the Council on Foreign Service terms w. e. f. October 1, 1995. These offices functioned as secretariats of regional Committees in the four regions (North, East, West and South). Three new regional Committees in southwest, central, and northwest regions with their secretariats located in Bangalore, Bhopal, and Chandigarh, respectively, were also established on July 27, 1994. One more regional committee in South-Central region with its Secretariat in Hyderabad was notified on March 8, 2007.

ABOUT DCRUST

Deenbandhu Chhotu Ram University of Science & Technology was established through an Act of Haryana State Legislature on 6th November, 2006 to facilitate and promote studies & research in emerging areas of higher education with focus on new frontiers of Science, Engineering, Technology, Architecture, Humanities and Management studies. The University is recognized under 12 (B) of the UGC Act, 1956. The University was accorded the affiliating status by Act of Haryana State Legislature on 3rd August, 2011. The University provides an outstanding learning environment for multifaceted development of students,

thus emerging as a centre of excellence. The University is spread over 273 acres and has a fully residential campus with ample built-up space in a contemporary architectural idiom. The University has 15 departments and one centre of excellence under 8 different Faculties, in addition to research facilities leading to enrolment of approx. 500 research scholars. In addition to 9 under graduate degree programme with an annual intake of about approx. 4000 students, the University is presently running a number of post graduate degree programme in various disciplines and emerging areas of Engineering and Technology, Management, Science, Architecture and Humanities etc. The university has highly qualified faculty, well equipped library, computer centre with high speed internet facility, faculty rooms, classrooms, and substantial sports facilities, etc. The University is covered under TEQIP of MHRD of Government of India for funding by the World Bank. The University is known in the region not only for students well equipped in technical, analytical & soft skills but also for its strong placement statistics.

ABOUT DEPARTMENT OF HUMANITIES

Committed to thorough education and research coupled with interactive teaching pedagogy, the Department of Humanities provides an environment where creativity and critical acumen can thrive. With

the vision – To nurture a holistic being with professional acumen and social responsibility – the Department is committed to inculcate an awareness of and appreciation for the interdisciplinary understanding, interpretation, creation and use of the emerging knowledge and technological environment of the 21st century among its students. Addressing the dire need of society, the department tries to achieve excellence in education of Humanities (literature and languages), Communication and Social Sciences through continuous proficiency building. It believes in and relentlessly works to uphold high professional standards in higher education and ensures a golden future for its students. The department offers Ph.D., M.A. English, 5-year Dual Degree B.A. (Hons.) – M.A. English programme and Part-time certificate courses in foreign languages. From coming session, department will also be offering two new programmes – MA Sociology and MA Hindi. While as service department it has been offering various courses in English, Communication Skills, English for Research Paper Writing, Constitution of India, Essence of Indian Traditional Knowledge to the undergraduate and postgraduate architecture, engineering, science and management students since its inception. The department of Humanities is committed to teach and train students in all aspects of English language and Literature.

ABOUT THE PROGRAMME

Academic Research is an integral aspect of higher education. Quality research always contributes to teachers, teaching and hence the overall growth of academic institutions. Writing sensibility and Research acumen are its important building blocks. Research and Academic writing involve gamut of issues, ideas and idioms. Research is a nuanced activity whose contours need to be untangled and properly understood for any research to be a meaningful exercise. The online Training Programme

for Teachers on “Academic Writing and Research” is an attempt to garner resources who have made their mark in the field of higher research and make that expertise available to the participants in the form of lectures, demonstrations and interactive sessions.
