

ABOUT THE AICTE

In accordance with the provisions of the AICTE Act (1987), for the first five years after its inception in 1988, the Minister for Human Resource Development, the Government of India, was the Chairman of the Council. The first full-time Chairman was appointed on July 2, 1993 and the Council was reconstituted in March 1994 with a term of three years. The Executive Committee was re-constituted on July 7, 1994 and All India Board of Studies and Advisory Boards were constituted in 1994-95. Regional Offices of the Ministry of Human Resource Development, the Government of India, located in Kolkata, Chennai, Kanpur, and Mumbai were transferred to AICTE and the staff working in these offices were also deputed to the Council on Foreign Service terms w.e.f. October 1, 1995. Three new regional Committees in southwest, central, and northwest regions with their secretariats located in Bangalore, Bhopal, and Chandigarh, respectively, were also established on July 27, 1994. One more regional committee in South-Central region with its Secretariat in Hyderabad was notified on March 8, 2007.

ABOUT THE DCRUST

Deenbandhu Chhotu Ram University of Science and Technology, Murthal (erstwhile C. R. State College of Engg) was established through an Act of Haryana State Legislature on 6th November, 2006 to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of Science, Engineering, Technology, Architecture and Management studies. The University is recognized under 12 (B) of the UGC Act, 1956. The University has been accorded 'Affiliating Status' by Act of Haryana State Legislature on 3rd August, 2011. The University provides an outstanding learning environment for multifaceted development of students, thus emerging as a centre of excellence. The University is spread over 273 acres and has a fully residential campus with ample built up space in a contemporary architectural idiom. It has 15 teaching departments under 6 different Faculties. The University is presently running 9 Undergraduate, 19 Postgraduate, & 2 integrated programmes on regular basis in Engineering, Science, Architecture and Management with an annual intake of about 1400 students. There is enrolment of more than 500 research scholars.

ABOUT CEEES

CENTRE OF EXCELLENCE FOR ENERGY AND ENVIRONMENTAL STUDIES (CEEES) at Deenbandhu Chhotu Ram University of Science and Technology was established in 2009 with a vision to transform young people to competent and motivated professionals and to contribute to the development of the nation through research. The Centre is a part of faculty of Non-Conventional Sources of Energy and Environment Sciences. Due to excellent work done by Centre in the area of energy conservation, the University has been awarded Renewable Energy Conservation First prize in 2009-10 and second prize in 2011-12 in the Educational Institute Category by Department of Renewable Energy, Govt. of Haryana. The faculty at the Centre is working tirelessly on its mission to produce professionals & developing technologies to render services in the area of energy and environment. The Centre offers Ph. D., M. Tech. (Energy and Environment Management) and M.Sc. (Environmental Science) Degree Programmes.

OBJECTIVES OF THE PROGRAM

The objective of this course is to undertake collaborative educational activities:

- To develop basic understanding of Securing economic development.
- To identify renewable energy sources and their utilization.
